

A World Class Hospital by A World Class Doctor @ Thodupuzha, Kerala

"Service with Smile"

Trusted By 20,000+ Happy Patients In 4 Months

Dr. SURESH ADVANI

Padma Bhushan, Padma Shri in the field of Cancer
India's first Cancer Specialist to perform Bone Marrow Transplantation

Why this 160cr Hospital in Kerala?

We lost our daughter in an accident while she was doing her MD Medicine. We wanted to do something special on her name, what better way than providing a World Class Hospital Facility and offer affordable medical & surgical treatment charges to all its patients

India's 1st Hospital with only Private Rooms - Best safety for patients from Ward Infections

General Wards usually can spread major infections from one patient to the other, we decided to provide Private rooms to all our patients, rich, middle class or the poor. For the poor we provide the same facility but with very low charges.

LAUNCHING ON April 25th

KERALA'S MOST ADVANCED CARDIAC CENTER

Smita Hospital has bought the latest CATH LAB from Philips in Kerala called the azurion 7c20 capable to perform the most complex Cardio, Neuro & other vascular procedures. The Cardiac Center will not only give the best results but also **less expensive as compared to cochin**. We will be the first hospital with **Cardiothoracic surgery** department in this part of Kerala "Dr. Praveen, Chief Cardiologist.
